Directions by Road

From London and the North

Follow the M3 to Southampton and exit at Junction 14 onto the M27.

From M27 Junction 3

At junction 3 leave the motorway and follow signs to Romsey. Upon entering Romsey you will have the "Romsey Rapids" on your left and shortly thereafter will approach a large roundabout. Take the first exit to the left. After a short distance you will approach a mini roundabout. Take the third exit to the right. Follow the road sharply around to the left. Go straight across a second mini roundabout taking the first exit and follow the road down and around to the right. You will then enter a one-way street with shops either side. At the end of this road is the centre of Romsey - a roundabout with a statue in the middle. Here go straight across, taking the second exit. Follow this road to the end where you will see a large white building on a sharp corner. To the right of this building is the entrance to the Horsefair.
